March 12, 2026

Dear Friend,

We are very excited to announce that our dancers are currently working on a brand new spring dance production, ***The Wizard of Oz***. This beloved classic movie is being transformed by our young, talented dancers through the vibrant language of dance! Unlike most dance productions, The Wizard of Oz is not only limited to ballet, but we also shine a bright spotlight on tap, hip hop, jazz, acro, modern dance and more, so that all of our dancers can participate and showcase their talents!

Zoika's Dance was founded in the spirit of love and nurturing, geared towards our community's youth, not only on the stage, but off. We pride ourselves on helping dancers grow in a professional and supportive environment, not only in dance, but also in building their confidence in all areas of life, building upon critical lifelong skills. We are equally proud and just as committed to bring the theatre to local children and families who may not otherwise have the opportunity to watch a live dance production. **We are again teaming up with local nonprofits, including St. Augustine Youth Services, the Betty Griffin Center, Fostering Connections, and others.**

**Will you please join us as a sponsor in building up local youth through the arts within our community?** The funds we raise through sponsorships and ticket sales are needed for theater rentals, costumes, set design, theater technicians, instructors, and professional performers who join our dancers on stage. Your sponsorship will also provide tickets to local children who might not otherwise be able to share in the magic.

Audience members will be transported right into Emerald City where they can follow along with the Scarecrow, learning how to always learn something new, The Tin Man, learning how to follow their heart no matter what situation presents and of course, with the Lion, learning that each of us holds courage inside, even when we don't feel it. Dorothy's lesson may be the most powerful of all, teaching children to be grateful for the life you have and the idea of home is not just a place, but where one feels loved and secure, truly encompassing her phrase "there's no place like home." Dorothy, together with her three new friends, teach us that true friendship and teamwork help overcome any obstacle life may present. Through the journey down the yellow brick road, children can learn that they already possess the courage, intelligence and heart they seek each day.

**We would like your consideration for becoming a sponsor for the first presentation of The Wizard of Oz.** Included in this packet are more details about sponsorship opportunities. If you have questions, please do not hesitate to contact us at (904) 342-5920.

Zoika's Dance could not achieve this without the support of our community. Thank you for your time and consideration. We look forward to having your support for the 2026 production of ***Wizard of Oz!***

Sincerely,

Zoika Garcia  
Director
